EDUCATION

Graduation
2018 - 2021
Brahmapur University
Bachelor in Science

WORK EXPERIENCE

Larana Inc.

2019 - present

- Freelance Web Developer (2019-Present):
- As a freelance web developer, I've collaborated with clients from various industries to design and develop custom websites and web applications tailored to their specific needs and objectives.
- During my internship at XYZ Company, I gained hands-on experience in frontend and backend development, contributing to the design and implementation of dynamic web solutions while working under the guidance of senior developers.
